

business of tourism 10th pdf

Tourism has become an important source of income for many regions and even entire countries. The Manila Declaration on World Tourism of 1980 recognized its importance as "an activity essential to the life of nations because of its direct effects on the social, cultural, educational, and economic sectors of national societies and on their ...

Europe and Caucasus. Europe remains the region with the most international arrivals per year, thanks in part to its rich cultural resources, world-class tourism service infrastructure, strong health and hygiene conditions, andâ€”notably with the Schengen Areaâ€”high degree of international openness and integration.
