Osho E-Books - Osho World: Vision of an Enlightened Master

Gregory the Great depicts himself as a contemplative who, as bishop of Rome, was compelled to become an administrator and pastor. His theological response to this existential tension illuminates the vexed questions of his relationships to predecessors and of his legacy.

Notes . 1. A major focus of both Carruthers' and Dennett's treatments is the relation between language and

consciousness. I will not discuss these issues here, save to say that my sympathies lie more with Churchland (1995, Chapter 10), who depicts basic consciousness as the common property of humans and many non-linguistic animals.
