

**political parties their organization pdf**

A political party is an organized group of people, often with common views, who come together to contest elections and hold power in the government.

**Political party - Wikipedia**

A political organization is any organization that involves itself in the political process, including political parties, non-governmental organizations, advocacy groups and special interest groups.

**Political organisation - Wikipedia**

Toward A Performance Theory of Change in Political Parties Kenneth Janda Department of Political Science Northwestern University Evanston, IL 60208 USA
